(Aids to Beauty)

ALCORUB

FOR BATHING AND MASSAGE

ALCORUB is ideal for convalescents, invalids and elderly people, as it is a pure product with no poisonous, irritating additions. It does not dry the skin, but has instead, a softening and refreshing effect.

It is non-poisonous but non-drinkable.

Former users of alcohol for bathing and massage hesitate to use the medicated alcohol now on sale as the medication produces an irritating, drying and itching effect on the skin.

You can again experience the pleasant and refreshing sensation of a rub-down, by using ALCORUB.

Use it after bathing and for massage; after exercising or swimming; delightful after shaving. You will find it ideal for invalids, convalescents and elderly people; wonderful for bathing tired, aching feet.

Approved by Physicians, Nurses and Pharmacists.
